MEET

ROBIN

YOUR KNOWLEDGE GURU

ABOUT

Robin is a **fully autonomous digital employee** that delivers **instant, accurate answers,** and supports your team using **private data** on your **secure premises.**

TALK TO ROBIN WITH EASE

Interact with Robin via the secure web standard chat interface, API integration into your on-premises applications, or via any company email address.

INSTANT, RELIABLE ANSWERS, 24/7

- Delivers fast, accurate responses with a natural, human-like tone
- Understands campaign, persona, and workflow details
- Draws from both public and private data sources

EFFORTLESS, SHARED LEARNING

- Learns instantly from your updates—just send an email
- Remembers conversations with thread-aware intelligence
- Syncs knowledge across all digital employees

PRIVATE. LOCAL. YOURS.

- Fully on-premises—no cloud, no third-party access
- Designed for regulated industries: finance, healthcare, gaming
- Complete control over your data, training, and logic
